PROFITABLE GIVING CANADA

A Not for Profit Organization

Please Come Join our Cause - You Need Us and We Need You!

Profitable Giving Canada (PGC) is here to protect and support the average taxpayer who has participated in Profitable Giving and needs our help. As a Not for Profit Organization, all of our human and financial resources can only be used for the benefit of our Members in the form of services. These services consist of the following general categories:

- **Confidential Information and Articles on Topics of Current Interest to Taxpayers.**
- **"How to" Templates and/or Information Needed to Achieve Specified Results.**
- **Access to Discount Codes for select PGC Accredited Service Providers**
- **Updates to NEWS, ALERTS, and PGC Technical Bulletins (eNews Subscription).**
- **Access to the Universal Participant Protection Fund. This fund is available to provide Members with legal and/or other services that would otherwise not be possible for the average taxpayer.**
- **Free and Personal Assistance from Accredited Profitable Giving Specialists in your Area.**

Here are a few examples of recent actions on behalf of PGC Members:

1. PGC funded a Federal Court action against the CRA to force them to issue tax assessments for 2012 that are being held because of tax shelter participation. This was started as a Class Action for PGC Members.

2. PGC has created an updated legal strategy to obtain tax refunds for members who participated in tax shelters In 2012 and 2013.

3. When Members were being abused and mislead by certain tax shelter companies, PGC launched an investigation into the situation and provided Members with advice and detailed information into what was happening and how to cope with it.

4. Most recently, PGC has approved a **Tax Court Class Defense Action** for a large Group of Members who have been reassessed by CRA. This action will be the first of its kind for taxpayers who have participated in a Profitable Giving program.

Membership is simple to obtain and very affordable at $100 per year or $500 for six years. You can register online at our website www.profitablegiving.ca or complete the paper application form and mail it to our head office. We will do the rest.

PGC's Membership has been growing fast over the last few years as taxpayers face more and more abuse from the CRA and certain tax shelter companies. We are dedicated to protecting your rights!
